

For Children 7-17
On-Camera Training for TV and Film
Acting & Communication Skills

On-Going Classes
Saturdays 1-3pm
Children's Discovery Center

2 hour sessions
\$120 in advance for one month

The class works on:

Cold Reading Techniques, Working on camera, learning a monologue, scene and reports presentation techniques, performing a commercial. The children learn to eliminate fear and nervousness, they learn to focus, they learn improvisational skills, they learn blocking techniques; The workshops are fun, on-camera devoted to the advancing personal skills and Preparing them to sign with an agent.

The art and craft of acting and communication is based on such things as timing, breaking down a script or report. Anyone can improve their self image and skills with this workshop.
