

Preschool Playtime

Where play and learning connect!

Wednesdays & Fridays 8:30am-12:00pm • Ages 3-4 yrs.

Preschool Playtime provides young children with rich hands-on experiences in a welcoming environment that is designed to help them acquire an understanding of the world around them, to build on their relationships with others, and to develop a love of learning. The class offers children a first-time preschool classroom experience where they can gain early literacy, math, social and other skills while gaining self-confidence through creative self-expression.

Program Description

Each month children will discover the joy in learning through hands-on interactive lessons, visits to the Discovery Center exhibit galleries and outdoor play. Program includes a morning snack. Lunch may be purchased from the Discovery Center's Kids Cafe for \$4 or brought from home. All children must be able to use the restroom independently.
