

# Toddler Time

10:30 - 11:30 RECOMMENDED FOR AGES 18 - 36 MONTHS

Interactions with caring adults, in sensory-rich environments, help children thrive! Our toddler class features creative activities designed for toddlers, ages 18 – 36 months, to explore, discover and learn alongside a parent or grandparent.

Toddler Time combines songs and stories, movement activities and group games, with creative play in our new exhibit gallery. These activities, designed for children ages 18-36 months, inspire a love of learning through hands-on exploration and interactions with caring adults.

Registration fees are for one child and one adult, and do not include admission to the Center. Toddler time participants who are not Center members are invited to play in the Discovery Center for a special admission price of \$5 per person.

"I highly recommend Toddler Time to other families! My daughter's love of signing and dancing has grown tremendously and she's become more social with other kids!"
